

Contour Reusable Face Mask

Comfort & Protection Combined

Decrease your chances of potential COVID-19 contraction with Contour Reusable Face Mask. This stretchy, washable mask offers an ergonomic design that fits around the eyes and the nose bridge for a comfortable fit. It features four ear slots that allow the mask to be worn on a variety of head shapes and sizes without the need for cumbersome ties or elastic.

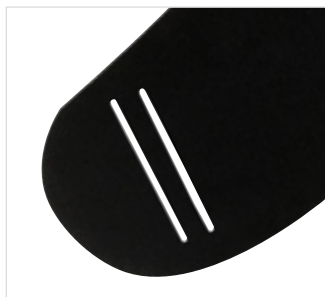

Benefits

Safety Barrier

Provides a single-layered barrier to decrease chances of contaminants going in or out

Ear Slots

Four ear slots make wearing the mask comfortable and fitted to a variety of head shapes

Ergonomic Fit

Curved top fits around eyes and nose bridge for a close fit

Washable

Soft, stretchy fabric is both machine-washable and dryable

Two sizes available
