

THE TIME & TEMPERATURE COMPANY®

# Model: DTQ450 ProAccurate® Quick Tip™ Thermometer

-40° to +450°F/-40 to +230°C

CDN's ProAccurate® Quick Tip™ Thermometer includes new and innovative technology perfect for any chef. The thermometer sensor is located at the red tip (Quick Tip™) and when inserted only 1/4 of an inch will provide an accurate and stable response in less than 8 seconds. The DTQ450 includes a unique and simple one-button recalibration feature, which will recalibrate the thermometer in two seconds. The DTQ450 is waterproof.
