

## DIGITAL PORTION CONTROL SCALE

The Digital Portion Control Scale (SD0502) joins the exclusive CDN line of NSF® Certified *Master Scales Series* scales, providing foodservice kitchens unprecedented quality and value.

Equipped with a small profile removable stainless steel platform and a heavy-duty food-safe ABS plastic case that is treated with BioCote®, this model offers a 5 pound capacity for accurately weighing a wide variety of items.

The SD0502 features field calibration to ensure accuracy over time, an easy-to-read LCD display with selectable units, tare and data hold functionality, and battery status indication. It comes with an AC adapter to preserve battery life.

### FEATURES

- NSF® Certified
- Tare function
- Data hold
- Field calibration
- Removable stainless steel platform
- Food-safe ABS plastic with BioCote® antimicrobial technology
- Batteries/power adapter
