

## Equipment Stand

### Standard Tray Rail Height

Models ES28, ES28R, ES28L, ES28RL

### Low Tray Rail Height

Models ES28RS, ES28LS, ES28RLS

#### Features & Benefits

- Perfect for cash registers or computers at the end of a school lunch line or for completing any self-serve buffet or salad bar concept.
- Increases food preparation area for microwave ovens, slicers and other appliances.
- Available with or without side rails, or with side rails to the left, right or on both sides of center drawer.
- Handy center drawer slides open to conveniently store cash, customer receipts or equipment accessories.
- Open bottom shelf features a cut out design so that the operator can sit or stand comfortably without bumping ankles or knees.
- Tough one-piece, seamless, double-wall, high-density, polyethylene construction. Polyurethane foam insulation provides greater strength and durability.
- Easy to clean and will not dent, crack, rust, chip or break.
- Tray rails are available in two convenient heights, 34 1/2" (88 cm) and 27 1/2" (70 cm), to accommodate service for both adults and children.
- Separate 2 1/2" (6,4 cm) opening through both top and bottom shelves allows cords and plugs to drop safely and neatly to the floor.
- Four each 5" (12,7 cm) casters, 2 fixed, 2 swivel w/ brakes, offer smooth maneuvering across a lunchroom floor or across campus.
- Non-electrical.
- No assembly required.
- Available in 13 colors.
