VCSHD		•		•

Features & Benefits

- Lockable center drawer provides increased security to conveniently store cash, customer receipts or equipment accessories.
- Drawer can hold an optional convenient, pull-out keyboard tray that improves ergonomics.
- Adjustable shelf can hold a printer or other equipment.
- Convenient electrical cord access through the top of the Versa Cart.
- Cart features a built-in steel, security slot which can be used to loop security cables through for added protection.
- Available with or without dual side rails.
- Rails are adjustable for two heights, 34½" (88 cm) and 27½" (70 cm), to accommodate service for both adults and children.
- Cart features a cut out design so that the operator can sit or stand comfortably without bumping ankles or knees.
- Tough one-piece, seamless, double-wall, high-density, polyethylene construction. Polyurethane foam insulation provides greater strength and durability.
- Easy to clean and will not dent, crack, rust, chip or break.
- Molded-in handles increase maneuverability.
- Optional connectors allow the Versa Cart to easily and quickly connect to a Versa Food Bar™.
- Choose from units with four each 6" (15,2 cm) standard swivel casters with brakes or four each 6" (15,2 cm) by 2" (5 cm) heavy duty swivel casters with brakes.
- Optional accessories include Tray Rails, Heavy Duty casters and Keyboard Tray.
- Non-electrical.
- No assembly required.
- Available in 5 colors.
