

StorPlus™ EZ Access Hinged Lids

Convenience. Safety. Secured.

EZ Access Lids for Coldmaster, Coldmaster CoolCheck, high heat and standard food pans keep ingredients safe from contaminants while offering visibility and accessibility. We listened to our customers and built a better hinged lid. The EZ Access Lid won't pop off, it's easier to clean and offers a larger opening. You can rely on EZ Access Lids to stand up to repeated use day in and day out.

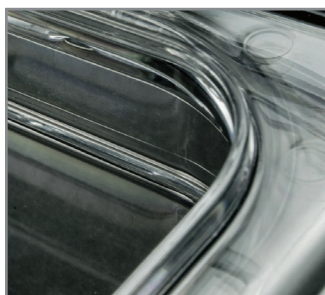

Benefits

Larger Opening

Improves hand and utensil access; reduces foodwaste

Snug Fit

Lid stays in place during routine opening; never flips off

Clean Design

Eliminates dangerous food traps found on other hinged lid designs

The Solution

Perfect for salad, cucumbers, buffets, prep stations and more

One-half and one-third sizes available with double notch for multiple portioning options

Integrated double-hinged design assures EZ Access Lids handle the abuse of the most demanding foodservice applications

When not in use, hang your lids using the convenient molded-in peg hole

Recessed, hinge allows the opening to be 50% to 60% larger than the competition, allowing for faster access to food while reducing food waste

Designed to be easily cleanable, eliminating dangerous food traps found on other hinged lid designs

Coldmaster EZ Access Lids compliment your Coldmaster and CoolCheck pans
