

# Checkout Shields

## A Clear Line Of Defense.

Unprecedented times lead to revolutionary ways of protecting your patrons from potential illness. Our easy-to-install Checkout Shield ensures the protection of your employees and customers by separating them from sneezes or coughs during cashier transactions. The durable, professional look of the shield lets customers know that their safety is your top priority.

## Benefits

### Safety Barrier

Provides a protectant shield between customers and cashiers

### Cut-Out Grooves

Facilitate easy mounting on checkout counters with x-shaped grooves

### Multi-Mounting Hardware

Included hardware allows guard installation from the ceiling or to a checkout counter

### Durable

Constructed of chemical-resistant acrylic for long-lasting use

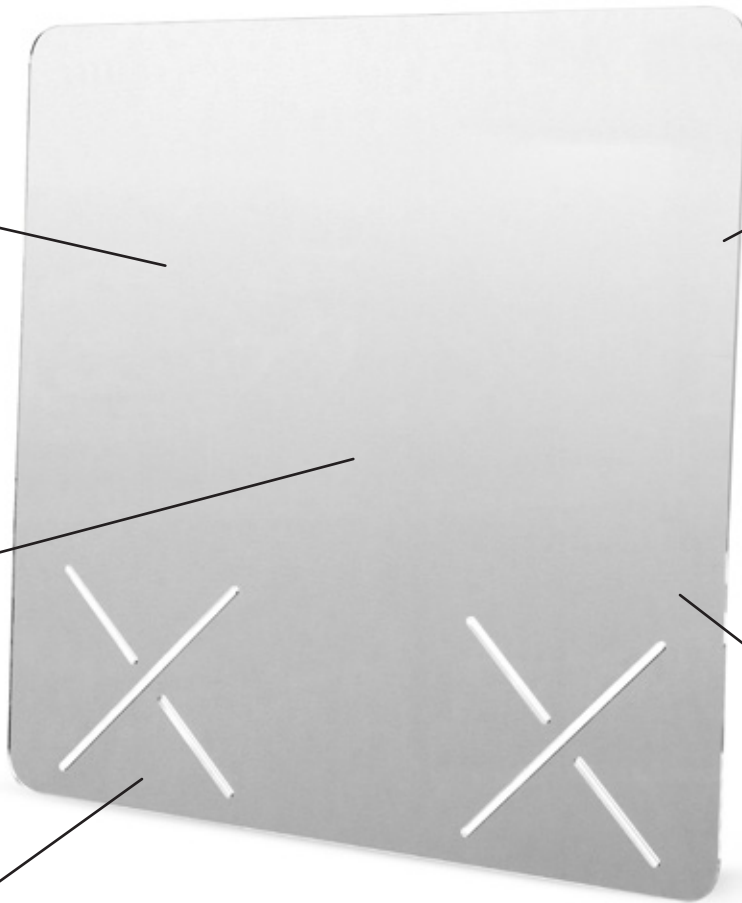

For use in supermarkets, restaurants and open-to-public offices

Clear acrylic material resists damage

Barrier helps prevent the spread of contaminants from sneezes or coughs

Do not use products with ammonia or abrasive cleaners

Diswasher Safe
