Sanitation & Cleanliness Are Vital

You can't afford anything less than "clean" and there is no compromise when it comes to your standards of sanitation and the quality of the food you prepare and serve. That's why we provide you with the right brush for every job to ensure the safety of your guests and employees, improve your customer satisfaction, all while improving your operational efficiency at a lower total cost of ownership.

Critical Cleaning Issues:

Personal Hygiene • Cross Contamination
Physical Contamination • Biological Contamination

The Brush You Can Trust

Is dangerous bacteria building up in critical areas of your operation? Don't put your restaurant's reputation at risk for a food-borne illness outbreak. Sparta's complete foodservice focused selection provides you with the preparation and cleaning tools proven necessary for over a century. Put your trust in us and be sure the tools you use are of the highest quality, sacrificing nothing.

Clean Smarter

The original Sparta Spectrum color-coded system takes the guess work out of cross-contamination prevention and helps to neutralize potential problems in an instant. This full line of Brushes and Cleaning Tools coordinates with other products like our unique color-coded StorPlus Food Boxes, Spectrum Cutting Boards, and other industry standard coded tools. Sparta is here to make cleaning easier, more efficient, and smarter.
