

# Professional Food Service Line

Certified | Eco Responsible | Hygienic

Introducing Ezywipe Professional Use Line of **Certified Eco-Friendly, 100% Rayon**, Hygienic Cleansing Food Prep Towels and Cleaning Cloths, for Food Service Professionals.

Ezywipe uses Innovative technology, providing Superior Absorption & Clean-up with Cooking Oils, Spills & All surfaces, while Resisting Chemical & Detergent absorption (non-binding), for easy rinsing and re-using. Food Service Cleaning & Food Prep products combined with Sustainable Processes & Hygienic Properties

Ezywipe of America offers the only complete line of hygienic compressed & un-compressed cleansing towels and cleaning cloths to improve the quality of life within the Professional Kitchen, while contributing to a more safe, healthier environment for Kitchens, Guest & Employees. Ezywipe Professional Food Service towels and cleaning cloths are certified hypo-allergenic and made of 100% Rayon, with the unique characteristic of not retaining odors, germs or harsh chemicals.
