SECTION F-F

1 Foodservice equipment manufactured by American Foodservice Company is built in accordance with the latest requirements and standards of NSF International (sanitation) and Underwriters Laboratories (safety).  
2 In the event a state or local code requirement exceeds those of NSF International and/or Underwriters Laboratories, failure to notify American Foodservice Company in advance of production and in writing, may result in the equipment failing to pass local inspection(s) and/or additional charges for making modifications to the equipment.
