

MINI DISPLAY WARMER

Models MDW-1X, -2X

The Hatco Mini Display Warmer holds and serves products like sandwiches, cookies, and pretzels at temperatures up to 180°F (82°C). Perfect for convenience stores, restaurants, recreational facilities, and theme parks, and anywhere there is limited counterspace.

FLEXIBILITY

The non-humidified Mini Display Warmer allows food to be showcased on three magnetically adjustable shelves for maximum visibility. One or two-door models are available for server and self-serve operations. The optional hood with backlit sign cutout can be rotated to face any side. Unit available in *Designer* colors with black hood.

QUALITY

The following features assure the finest performance for years to come:

- Three magnetically adjustable shelves for horizontal or slanted displays provide flexibility for a variety of product choices.
- Tempered glass sides and incandescent light to showcase food products.
- Optional hood with backlit sign cutout (sign included) can be rotated to face any side.
- Single door or pass-through models available. Doors are field reversible for right or left opening and can be on any side of the unit.
- Thermostat control with rocker switch for precise temperature control.
