

Accessories

Pan Rack

PR5

The ProLuxe PR5 pan rack. Beautifully crafted of welded, chrome plated steel, these quality racks solve holding preformed dough in a space confined application. In addition, the PR5 can be used in the pan drying process. Drying takes far less time when air is allowed to circulate around the pan.

Features

- Chrome plated steel.
- Holds up to 5 (16" maximum) pans
- Heavy duty.
- No tools required for assembly.
