ADJUSTABLE POLYMER "POKER CHIP" DISH DOLLY
PCD SERIES

Adjustable:
• Metro's Adjustable Poker Chip Dish Dolly is perfect for holding multiple size dishes — anything from small $4^1/_4$-inch dishes to $11^3/_4$-inch dinner plates and platters.

• Easy one-handed adjustments on the underside of the dolly allows for flexibility and maximum loading density.

Maneuverable:
• Four recessed handles make it easy to maneuver in and out of tight areas and saves space. The compact design allows for maximum space utilization and convenient under counter storage.

• Four 5" (127mm) diameter swivel casters (two with brakes) with neoprene wheels provide for easy maneuverability and positioning.

Two-Handed Access:
• Unique design allows fast, safe and easy two-handed access to all dish columns. Minimize dish breakage and easily load and unload dishes.

Durable Construction:
• Sturdy polymer construction is extremely safe for dishes, easy to clean, and is resistant to cracking, peeling or chipping.

Sanitary:
• Dividers and tower are removable to facilitate cleaning.

• Smooth, rounded corners and seamless cart surfaces eliminate cracks and crevices and simplify cleaning.

• Built-in drain holes promote cleanability and eliminates the possibility of water build up.

• Dishes are stored 12" (305mm) above the floor surface, minimizing dust and water marks from floor dirt and splashing.

• Included translucent vinyl cover protects clean dishes from dust and water splashes while in storage and allows workers to view contents without removing the cover.

• NSF Listed.

Microban® Antimicrobial Product Protection:
• Cart body has built-in *Microban® Antimicrobial Product Protection which inhibits the growth of bacteria, mold, mildew, and fungi that cause odors, stains, and product degradation.
