

Kleen-Pail®

Dedicated non-food container for cleaning and sanitation.

Kleen-Pails® eliminate confusion between cleaning and sanitizing solution containers. Use red pails for sanitizing solution and green pails for detergent solution. Select sizes have different options. Meets HACCP guidelines for storing of in-use cleaning/sanitizing cloths used to wipe down surface areas.

Available in wide variety of sizes, from 3 qt. to 10 qt., front-of-house and back-of-house applications. As well as seven color options.

Features

Raised Lettering
ensures meeting health code guidelines

Durable Handle Design
prevents broken or lost handle

Trilingual Labeling
aids in employee training (English-Spanish on front, English-French on back panel)

www.sanjamar.com

Embossed raised lettering ensures that pails are always identifiable as non-food containers

Bail handle design prevents loss or broken handle

Ergonomic handle for ease of carrying

Trilingual labeling aids in employee training

Graduated marking aids in proper chemical dilution ratio
