STANDARD SPECIFICATIONS CONSTRUCTION

- Tri-Element stainless heaters in our improved tank offers more capacity in the same space.
 - ✓ Up to 50% more production over past models
- Stainless steel tank.
- Welded tank with an extra smooth peened finish ensures easy cleaning.
- Tank overflow protection, safely diverts water to common drain outlet.
- 1" NPT full port (2.54 cm) drain valve, for quick draining.
- Stainless steel hinged cover saves energy by keeping heated water vapors in the tank.
- Cabinet: polished stainless steel front, door and splash back. Aluminized steel sides and back.
- Heavy Duty 3/16" (.48 cm) door hinge.

CONTROLS

- Digital temperature display with 2 product timers.
 - Optional:* Computer with 8 product timers.
- Automatic water fill system with in-line strainer, maintains the correct water level for ease of use.
- Level control safely prevents a heat cycle unless tank water level is in operating range.
- Temperature limit switch safely shuts off all heaters if the appliance temperature exceeds the upper limit.
