

SAN 'N' SERV TOUCHLESS HAND SANITIZER TABLETOP DISPENSER

SANITIZE AT EVERY TABLE

The **San 'N' Serv Touchless Tabletop Dispenser** from Service Ideas provides an easy way to sanitize at every table. Just fill the canister with a liquid hand sanitizer of your choice and place on any table or counter top where sanitation is critical during the COVID-19 pandemic. A battery operated motion sensor provides long-lasting sanitary touchless dispensing.
