NOTE: To accommodate disposable trash liners, order LinerMate®, sold as an optional accessory item. LinerMate eliminates unsightly trash liner overhang and facilitates installation and removal of disposable trash liners in the 12-gallon waste receptacle.

TowelMate® available as an optional accessory allows paper towels to dispense one at time without bulging or sagging, or falling through the towel tray opening. The 90 degree return on the towel guide prevents papers from falling forward and out when door is opened for servicing. TowelMate fits Gamco and most other manufacturers' similar models.
