Be prepared for high volume periods with these Chef's Supreme heater proofers by keeping your freshly cooked food hot until ready to be served. Flip the switch and this unit can be used to proof bread and other items prior to being ready to bake. The full size units can hold 26 full size (18"x36") sheet pans, while the under counter model can hold 12 full size sheet pans.

Moving the cabinet is extremely easy using the four 5" casters...simple unlock the front casters, rolls the cabinet to it's new spot and then lock down the casters. The corner bumpers will help protect the cabinet and it's surrounding during transport.
