## Weston Super Chute™ Juice Extractor

Model Number: 67902

UPC: 812830025593

The Weston Super Chute<sup>TM</sup> Juice Extractor lets you create your own fresh juice blends at home. Juicing is quick and easy with the extra-large 3½ inch chute. Two speed controls allow for custom juicing and maximum juice extraction. Choose high speed for harder vegetables and fruits, and low speed for soft fruits and leafy greens. Juicing fruits and vegetables into nutritious and delicious drinks makes getting your daily servings easy. Juice a little or a lot, the 34 ounce BPA-free pitcher has a lid, easy to read measurement marks, and a froth separator. The juicer fits under most standard cabinets so you can have it at the ready for juicing anytime. Cleanup is fast, the juicer disassembles quickly and most parts just need a quick rinse. The patented Easy Sweep<sup>TM</sup> cleaning tool sweeps the strainer clean in one simple motion, cutting strainer cleaning time in half. A large pulp bin lets you juice more while emptying the bin less.

Bullet Copy	1100 watt motor
	Recipes included
	3.5" virtually eliminates precutting
	Powerful 1100 watt motor juices a 16 oz. serving in 10 seconds
	Easy Sweep™ cleaning tool cuts strainer cleaning time in half
	34 oz. pitcher with lid and froth separator
