CU3030 – 300 lb Self-contained Ice Machine

CU3030

Prodigy[®] Undercounter Cuber with Storage

Features

Prodigy® undercounter cubers use significantly less energy and water than other cube ice machines, exceeding California and Federal energy efficiency regulations.

Auto-Alert[™] control panel can communicate operating status and signal when it's time to descale, sanitize, and more-making upkeep easier.

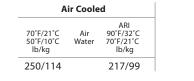

The patented WaterSense adaptive purge control delivers maximum reliability by reducing scale buildup for a longer time between cleanings.

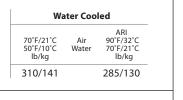

All external panel components are crafted for optimal aesthetic appeal through superior fit and finish.

Preventative maintenance is simpler than ever with easily-removed door, top panel and storage bin allowing clear access to all internal components and a diagnostic code display insuring the right fix the first time.

Recessed front panel on/off switch and front removable air filter.

24 Hour Volume Production
