## 69K-023, 69K-024 & 69K-025 Commercial Drink Dispensers

Central Restaurant Products' High Performance Drink Dispensers represent the ideal way to present drink products to your customer. Compactly designed with space saving in mind, our drink dispensers provide the highest level of performance in the smallest amount of space. A continuously circulating rotary system keeps the product fresh and perfectly consistent each and every time. They are built to withstand

daily use in fast-paced environments using durable materials like stainless steel and high-impact plastics. Add in the ease of use and short time required for cleaning and maintenance, and there is little doubt that this machine is a winner.

Specifications subject to change without notice.

Approvals: ETL, ETL Sanitation
