

Edlund G-2 Series NSF Manual Can Opener

Edlund's new lighter duty G Series Can Openers are now NSF Certified. Utilizing the patented take-apart design of our famous S-11 openers, these new easy to clean, quick change can openers will meet the requirements of most any Foodservice operation. The "G" in our G-2 opener stands for Global. If you search the world over, you would not find a better all-around opener.

- NSF Certified
- Patented take-apart design
- Stainless steel gear
- Stainless steel reversible blade for longer life
- Welded stainless steel shaft
- New base design features a replaceable insert for tighter and smoother action
- Made in U.S.A.

These can openers are a “G” Force to be reckoned with.

G-2 available with long or short bar lengths.

Both models available with choice of base options: plated screw down, stainless screw down or stainless clamp down base.

Like its big brothers, the S-11 and U-12, the G-2 is easily disassembled for quick change of knife and gear or easy cleaning.

G-2 as shown with reversible stainless steel blade for long life.
