

Edlund New! EBP Series Burger Presses

Introducing Edlund's new EBP Series Hamburger Presses, the surest way to get consistent, perfectly formed burger patties with the thickness and pre-cooked weight you can control. Just place the pre-weighed meat into the forming cylinder and pull the handle. Push the handle back and your perfect burger rises, ready to cook.

Combine your press with an Edlund scale and you have a sizzling solution to high-volume burger production!
