

THE SMART CHOICE FOR ICE MACHINE MAINTENANCE

Keep your ice machine clean and safe with regular maintenance. Cleaning your ice machine will not only give you better looking and tasting ice, it also lowers machine down time.

Our low odor Ice Machine Cleaner is economical, safe, and effective making it an easy choice for routine maintenance.

STRONG BUT GENTLE

Tears up scale deposits quickly but easy on your hands.

NICKEL-SAFE FORMULA

Safe to use on all makes and models of ice machines.

ECONOMICAL CONCENTRATE

Use as little as 2 oz per gallon for routine cleaning.

LESS SERVICE CALLS

Removes the lime scale build-up – the cause of most service calls.

NO HAZMAT CHARGES

Avoid additional shipping costs.

The Perfect Companion

Sanitizing your ice machine is recommended after cleaning to prevent slime growth and yeast formations.

Use BTF® QA® sanitizer to protect your machine from future biological growths.
