

## METAL-BRITE

#540

METAL SURFACE CLEANER-RESTORER

### PRODUCT DESCRIPTION:

**METAL-BRITE** is an environmentally safe, oil-based formula that cleans, shines and restores original luster to all metal surfaces. This product wipes out easily, leaving no residue. Leaves behind a fresh fragrance and a protective coating that resists finger marking and re-soiling. Contains no-acids, chlorinated solvents or abrasives. Contains only food grade ingredients. Less than 15% VOC level.

### RECOMMENDED FOR USE ON:

**METAL-BRITE** is a cleaner and restorer for a variety of metal surfaces. Stainless steel, aluminum, silver, brass, cooper, mild steel and chrome. It may be used on refrigerators & freezers, ovens, stoves, grills, hoods, dishwashers, coffee pots & urns, washroom receptacles, kick-plates, trash cans, towel holders, drinking fountains, railings, elevator doors & escalators, mixing tanks, grocery checkouts.

### APPLICATION:

**METAL BRITE** may be applied by pouring a liberal amount onto a dry cloth and wiping onto the metal surface. Buff out to provide a high luster. Keep container closed when not in use to prevent evaporation and contamination.

### DIRECTIONS:

Ready-to-use, no dilution required.

### SAFETY

**METAL BRITE** contains food grade ingredients only.

### SPECIFICATION DATA:

pH(concentrate): N/A  
Density: 8.45lbs./Gal. @ 24°C/75°F  
Shelf life: Guaranteed 2 years from the date of purchase  
Miscibility- Completely soluble in all proportions with hot or cold water  
Rinsability- Rinses freely with hot or cold water and leaves no film.  
VOC Compliant  
Biodegradable

**Packing:**  
4 x 1 Gallons per Case  
12-Quarts per case
