

Model: SD2202

ProAccurate® Portion Control Scale

Kitchen Measurement Tools

22 pounds/10 kilograms

The ProAccurate® Digital Portion Control Scale (SD2202) joins the exclusive CDN line of NSF® Certified digital portion control scales, providing foodservice kitchens unprecedented quality and value. Equipped with a removable stainless steel platform and a heavy-duty food-safe ABS case, this model offers a 22 pound capacity for accurately weighing a wide variety of items. The SD3302 features field calibration to ensure accuracy over time, an easy-to-read LCD display with selectable units, tare and data hold functionality, and battery status indication. It comes with an AC adapter to preserve battery life.

Features

- Tare function
- Data hold
- Field calibration
- Removable stainless steel platform
- Batteries/power adapter
