

## CLEANING & SANITIZING PAILS

Maintain proper cleaning standards in your establishment with Central Exclusive cleaning and sanitizing pails. Available in 3- and 6-quart sizes, these pails are perfect for restaurants, cafes, schools, hotels, and more!

**HACCP Compliant** – The red and green color-coded pails help reduce the risk of cross contamination, adhering to HACCP guidelines. Green pails are intended for detergent and cleaning applications, while red pails are intended for sanitizing applications.

**Durable Construction** – Constructed of high-density polypropylene, Central Exclusive pails are built to last. They feature a convenient metal handle for easy carrying.

**Built-in Graduations** – The inside of the pails feature built graduation markings (in quarts and liters) for easy measurement of cleaning solutions.
