Stoneware rich with character

**WORLD**<sup>®</sup>  
TABLEWARE

Don't let the colors fool you. Dulcet's raw and tactility formed rough *stoneware* body is crafted from sturdy natural material.

Dulcet is available in three beautiful natural-looking colors: pink, cream and gray. This collection details a true appreciation for craftsmanship, as each dot, line and brush stroke is applied by hand.

Great when paired with Driftstone, Hedonite and Farmhouse.
