

doughXpress Model No.

DM-18NH

Manual Cold Pizza Press

The DM-18NH manual clamshell cold press is an efficient, economical and durable way to press dough with speed and consistent results.

The cold press is the perfect solution for warm dough that needs to be stretched and pressed without heat. It can press and stretch dough up to 60% of the desired diameter, saving time on tossing and finishing the product by hand.

FEATURES INCLUDE:

- Full range dough thickness adjustment up to 7/8".
- Flattens dough balls into pizzas up to 18" in diameter.
- Optional non-stick coated upper and lower platens.
- Appliance white finish with aluminum upper and lower platens that can be optionally non-stick coated.
- ETL Sanitation listed under same criteria as NSF.
