

## CHEESE GRATER

GFHP2 Mouth Opening

GFHP2

GFHP2  
with brake motor

### Model GFHP2

These heavy-duty models allow for easy grating of hard cheese and breads. Designed to be suitable for small to medium applications. All models are equipped with a micro switch. The GFHP2 comes with a transparent plexiglass cheese container for a better view of the processed cheese. The aluminum head and stainless steel drum are easily removed without tools that allows for easy cleaning. Self cooled motor for high performance and continuous use.
