precision crafted excellence

Steelite International introduces the Laguiole steak knife collection. Each Laguiole knife is subjected to a special firing process, providing ultimate blade flexibility and a long lasting, perfect cut. Available in mirror-polished serrated (1.2mm handle) or sharpened (1.5 or 2.5mm handle) blade options, each knife is also available in a fine selection of handle finishes, like the new Carbon Matte. With the 2.5mm handle sharpened blade boasting a guilloche design, Laguiole steak knives add that "something extra" to your tabletop presentation.
