

hand-crafted excellence

Anfora's Denali Gray is a new and exciting approach to artisan style glazing. The beautiful, semi-transparent blue/gray glaze is accented with a shadow rim, enhancing a very farm-to-table appeal. The hand-crafted glaze application ensures a collection where no two pieces are exactly alike, making each plate, platter or bowl one-of-a-kind. The intended imperfections and variations in the glaze color only contribute to the uniqueness of the pattern and enhance artisan appeal. The contemporary assortment of shapes will bring a sense of timeliness to any presentation.
