SHFC - Hot Food Counter with Heated Compartment

Model #SHFC-5-77 Shown with Optional Protector Case, Trayslide

Modular Hot Food Counters with Heated Compartment are electrically heated with individual controls. These functional units are designed to keep hot foods hot at your desired temperature levels. Heated drop-in pans can be used dry or wet and accomodate full size pans. Each well is provided with it's own thermostat control. Furthermore, unit has a heated base with pan slide assembly for back-up storage. These sturdy units are designed for long lasting service. Units are provided with interlocking devices for quick and easy assembly and disconnecting.
