World Tableware presents a truly unique item – a faux wood slice!

With its amazing likeness to real wood, it is perfect for almost any food presentation ranging from sliders to chicken wings to sushi to jalapeño poppers. From farm-to-table to upscale elegance, the faux wood slice is sure to garner approval from patrons across the country!

And best of all it has none of the sanitation, discoloration, or durability problems associated with real wood!

### Features & Benefits:

- Requires no special handling like having to treat with oil, having to hand wipe, etc.
- Will not become darker or shiny due to food oils being absorbed into the material
- Side finger slots for easy pick up
- Dishwasher, microwave, and oven safe
