Bold Hakone (hah-koh-nay) dinnerware is perfect for operators seeking a unique look with plenty of eye appeal. With the turquoise colored ocean slowly drifting to the black sand edges, this pattern works well within a casual dining setting or accentuates the carefully crafted experience of a themed venue.

A Sake bottle and cup join a rectangle tray, a smaller bowl, and two new plate sizes. The Hakone collection, now with 11 items, has more to offer than ever and is sure to cause an eruption of excitement!

Features & Benefits:

- Multi-colored reactive glaze for stunning appearance
- Economical pricing combined with superior quality equate to outstanding value!
- Six new interesting shapes complements existing five in pattern to provide diverse options
- Ideal for casual dining and even Asian-themed venues
