zumex[®]
LIFE ESSENCE

We are pleased to introduce the new ZUMEX General Catalog exclusively for the USA and Canada. Not only is it a catalog displaying our juicers but it is a commitment from all of us to continue to provide you with all the tools and pertinent information you may need regarding our juicers.

After years in the USA, we have established a knowledgeable and dynamic team. Zumex has experienced tremendous growth in the North American market, which has enabled us to move to a new facility which is triple the size of our previous location. In other words, we realize our growth moving forward will be in this competitive market and we are prepared to make the necessary investments to make sure we accomplish our goals.

Herein you will find our catalog. It was done with our customers in mind, because in the end, all the technology, experience and design of ZUMEX in essence pursues one goal, the total satisfaction of your clients, users and of yourself. This is what we call "Life Essence".

The design and attention we put into the detail of our juicers, make our equipment the best and most attractive solution to meet the needs of our customers and users.

Sincerely,

Victor Bertolin
C.E.O., ZUMEX GROUP.

With its design, size and its twelve available colors, it fits perfectly in any location and is ideal for small bars and cafes that are committed to excellence.

Minex provides maximum performance in minimum space in an elegant and integrated way. Its design blends seamlessly into your business aesthetics.

In only 5 seconds you will enjoy a fresh squeezed glass of juice.

PRODUCT HIGHLIGHTS

- Small in size.
- Simple operation "Push Button".
- Display and orange counter.
- 2 operating modes:
 - Self service tap to serve in a glass.
 - Integrated jar.
- Integrated peel bucket.
- Easy to disassemble.
- 12 colors including 3 metallic finished.
- For moderate consumption.

TECHNICAL CHARACTERISTICS

- Fruits per minute: 13 oranges/min.
- Feeder capacity: 6/7 oranges.
- Fruit Size: 100 - 113 ct. cs. (70 mm - 78 mm)
- Dimensions (LxWxH): 365 mm x 360 mm x 720 mm (14.3" x 14" x 28")
- Net Weight: 19 kg. (47 lb.)
- Power: 0.06 HP
- Consumption: 0.044 kw / 0.45 Amps.
- Voltage: Multitension 100-240 V / 50-60 Hz
- Waterproof Specification: IPX0
- Safety: 3 detectors and electronic protection.
- Jar Capacity: 25.3 FL OZ (750 mL)

ACCESSORIES

Minex Color Kit:
Customize your Minex. Choose the practical kit to change its color and adapt it to your aesthetics.

ESSENTIAL PRO

Essential in any bar or coffee shop with an average juice demand, where the simplicity of operation is utmost importance. With an intuitive digital display you can configure the operation mode to adapt it to your work style and offer the best freshly squeezed juice.

Essential Pro Silver

Essential Pro Orange

Essential Pro Graphite

PRODUCT HIGHLIGHTS

- Very functional and easy to use.
- Intuitive “Touch Control” digital display.
- Total and partial fruit counter.
- Language settings (23 languages)
- 2 Operating modes:
 - Self-service mode: by pressing the tap, machine squeezes citrus juice into a glass or jar in a matter of seconds.
 - Autostart mode: the juicer starts automatically squeezing when you introduce the fruits in the chute. Locking the knob will activate the tap for continuous operation.
- Self Service anti-drip tap with lock for use in continuous operation.
- Integrated Peel buckets.
- Three colors available, including two with metallic finish.
- For moderate/medium consumption.

TECHNICAL CHARACTERISTICS

Fruits per minute: 22/min.

Feeder capacity: 4/5 fruits.

Fruit Size: 100 - 113 ct. cs. (70 mm - 81 mm)

Dimensions (LxWxH): 470 mm x 500 mm x 750 mm (18½" x 19.7" x 29½")

Net Weight: 45.75 kg. (99 lb.)

Power: 0.43 HP

Consumption: 0.28 kw / 2.7 Amps

Voltage: 115 V / 60 Hz

Waterproof Specification: IPX4

Safety: Double magnetic safety detectors and electronic motor protection.

ACCESSORIES

D65 Squeezing Kit:

Designed to squeeze smaller size fruit (ie. small oranges, tangerines, lemons, limes.) Diameters below 65 mm and down to 45 mm. Easy installation and disassembly.

Dynamic cutting System DCS:

Suitable for processing only soft or very ripe citrus. The blade moves up to help the cutting of the fruit.

Elevation Kit:

Very practical set of risers to elevate the machine for counter top easy cleaning.

Counter Top Kit:

Adheres the machine to the counter top improving waste management with an integrated solution.

The Versatile Pro is a must in places where there is demand for juice. Its feeder is integrated and allows the machine to be completely autonomous and more efficient. Thanks to an intuitive digital display, you can configure the operation mode to suit your working style.

Multifruit combines functionality, technology, performance and design. Behind its attractive design, there is a powerful engine with three innovative operating systems that make it a high performance juicer. Its ease of use and broad appeal makes it the best juicer in the market.

Multifruit Silver

Multifruit Black

Multifruit White

PRODUCT HIGHLIGHTS

- Latest generation engine with three operating systems:
 - Progressive Electronic Start System engine starts intelligently.
 - Electronic Brake System which stops the engine immediately.
 - Speed Control System keeps the maximum speed regardless of fruit and vegetables.
- The most efficient: A juice in just 5 seconds, higher yield and with the least amount of fruits.
- Very silent. Less than 70 dB.
- Anti-vibration "Silent Block" System.
- Triple safety sensor.
- Control with "stand-by" LED and two gear selector.
- Wide fruit inlet (75 mm / 3").
- Ergonomic pusher.
- Anti-drip rotating faucet.
- Removable coaster.
- Filter and grating disc removable without tools.
- Integrated large capacity. 13 l. (3.43 gal.) waste bucket.

TECHNICAL CHARACTERISTICS

Output: (264 ½ lb/hr); (½ gal/min)

Speed: 3.500 / 4.500 r.p.m.

Dimensions (LxWxH): 293 mm x 502 mm x 513 mm. (11½" x 19¾" x 20.2")

Net weight: 15 kg. (33 lb.)

Power: 1.17 HP

Consumption: 1.8 Amps

Nominal Power: 700 W. - 870 W

Waterproof specification: IPX1

Sound pressure level: Less than 70 dB

Safety: Dual safety micro switch on handle and waste bucket

Magnetic detector on waste bucket

Thermal Protector.

MOBILE

zumex[®]
LIFE ESSENCE

Consumers appreciate the benefits of freshly squeezed juice. Anytime, anywhere.

An eye-catching and practical mobile point of sale to easily transport to the event of your choice. Ideal for theme parks, shopping malls, sport events, concerts, festivals, stadiums, schools...

PRODUCT HIGHLIGHTS

- Strong, durable and sleek design.
